## Best Practices Recognition

## Best Providers

All identifying information was collected during Vaccines for Children site visits which includes the *Standards for Pediatric Immunization Practices* recommended by the National Vaccine Advisory Committee. An accumulative score was given for each practice visited in 2004.

The top performing providers for 2005 were:

- Upper Kanawha Medical Center
- Dr Goliath
- Total Family Care of Kingwood
- Mountaineer Family Care Center
- Down Home Pediatrics
- Huntington Pediatric Clinic
- Cabell Huntington Hospital

Thank you  
and office flacticum  
for an EMR that makes  
it easy to make sure all  
our children get their  
Vaccinations.
